IN GREEN MOUNTAIN

Q2 2025

## Spring FLOWERS

As the days grow longer and the temperatures begin to climb, it's clear that spring is in full swing and summer is just around the corner. This is always an exciting time in our community as neighbors begin to emerge from winter routines and prepare to enjoy the many outdoor spaces and amenities we're fortunate to share. From blossoming landscaping to the pool's upcoming opening, there's a lot to look forward to in the weeks ahead.

This month's newsletter is packed with updates and reminders to help everyone make the most of the season. You'll find information on the status of our pool and grills, important rules regarding glass near the pool area, and a few springtime maintenance tips to keep your home in top shape. We've also included some community updates, volunteer opportunities, and friendly reminders about ARC applications for any exterior home projects you might be considering.

As always, we encourage all residents to stay engaged, informed, and involved. Whether it's attending a meeting, lending a hand at an upcoming event, or simply being a considerate neighbor, every small effort helps strengthen our community and make it a place we're proud to call home.

Thank you for being a part of what makes our neighborhood special. We hope to see many of you out and about this month—whether it's at the pool, walking the trails, or enjoying the sunshine with family and friends.
